Your Financial Independence is at the Heart of Everything We Teach

Today's Stock Traders' and Investors' Free Wrap is based on  
An **EXTRACT** from Edition 459 of our Mentoring style  
'Investing & Online Trading' Stock Market Report

## Introduction

To increase the level of 'hands-on training' within our weekly subscription Report, Members currently receive:

- ✓ **A list of 'Expert Picks'** shares for to filter out which (if any) meet Jim's entry Rules, with Jim's own analysis shown the next week for Members to compare with their analysis.
- ✓ **Jim's own Watch List** of 'JB Alerts' – his selection from the ASX300 which pass virtually all his Rules, for Members to watch for the final entry Rules.

Since Edition 450, we have also added Jim Berg's special 'Featured Stock of the Week' in this new segment of that Report:

- 1) Each week, Jim now chooses a share from his Alerts List which has demonstrated:
  - a. A stable looking rising uptrend
  - b. In the order of 3 or 4 entry and exit signals over his nominated time frame
- 2) Jim Berg's '**Stock of the Week**' is for Members to analyse over the next week-and to record the potential:
  - i. Entry and exit dates and
  - ii. Corresponding entry and exit prices for both daily and weekly charts

Members can then compare their results with Jim's, which he presents the following week.
